

Herbert Crescent, London

LANDSTONES

Herbert Crescent, London

An exceptional family residence offering approximately 4,000 sq ft of accommodation, ideally situated on the prestigious Herbert Crescent in the heart of Knightsbridge.

Offering beautifully proportioned accommodation, generous entertaining spaces and an outstanding level of comfort across multiple floors, this impressive home is perfectly designed for both elegant entertaining and modern family living.

The raised ground floor features a formal dining room with a beautiful curved bay window, a spacious double bedroom and an integral garage. The first floor offers a magnificent reception room extending across the full width of the house, flooded with natural light, alongside a separate study providing an ideal space for working from home.

The lower ground floor is perfectly suited to everyday family life, featuring a generous sitting room opening directly onto a private patio garden, a contemporary kitchen with a dedicated breakfast area, an additional bedroom, a private gym and sauna.

The upper floors offer extensive bedroom accommodation, with three well-proportioned bedrooms on the second floor. Occupying the entire third floor, the impressive principal suite provides a luxurious private retreat, complete with an extensive dressing room and an elegant en suite bathroom.

Further highlights include multiple bathrooms, excellent storage throughout, a spacious attic, private outdoor space and secure garage parking, making this an exceptional home for families seeking both space and privacy in the heart of Prime Central London.

Herbert Crescent is one of Knightsbridge's most exclusive and sought-after residential addresses, renowned for its elegant architecture, peaceful surroundings and
