Golborne Road, W10

A rarely available apartment on the 29th floor of the iconic Grade II listed Trellick Tower, designed by Ernő Goldfinger. Extending to over 800 sq ft, the apartment has been tastefully refurbished throughout and benefits from a private balcony with panoramic views across West London.

Tastefully refurbished throughout, the interior has been thoughtfully designed to complement the building's distinctive Brutalist architecture, creating a home that is as individual as the landmark itself. Reclaimed gymnasium flooring and microcement walls introduce an industrial aesthetic, while carefully selected finishes create a striking yet considered living environment.

The impressive open-plan reception and kitchen area provides an excellent space for both entertaining and everyday living. Both areas enjoy direct access onto the private balcony, where the elevated position offers far-reaching views across the London skyline.

The generously proportioned bedroom provides a comfortable and peaceful retreat, complemented by clever built-in storage to maximise the available space. The apartment further benefits from a well-appointed bathroom and additional hallway storage.

Trellick Tower offers residents the convenience of a 24-hour porter service and represents a rare opportunity to own a home within one of London's most recognisable residential landmarks.

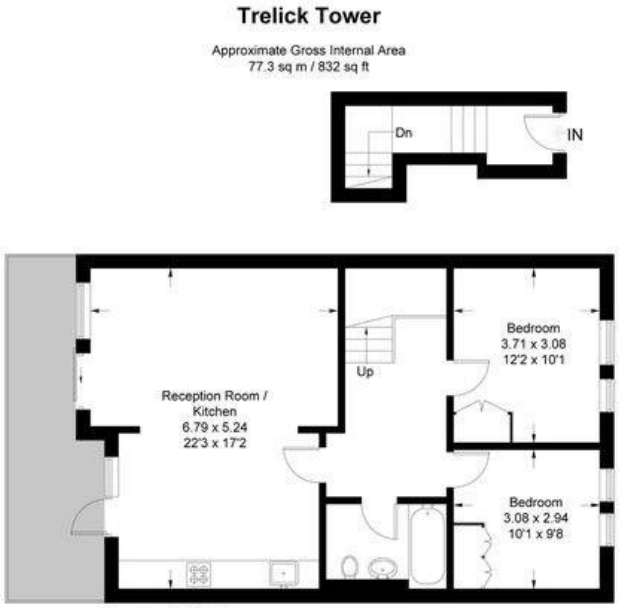

Ideally positioned moments from the independent shops, cafés and restaurants of Golborne Road, with the renowned Portobello Road Market also close by. Excellent transport connections are available via Westbourne Park and Ladbroke Grove Underground stations, while the number 23 bus provides a convenient connection directly from outside the building.

Offered to the market with a tenant in situ.
